

# ANZIP AUSTRALIA NEW ZEALAND INFRASTRUCTURE PIPELINE

The Australia & New Zealand Infrastructure Pipeline (ANZIP) provides a forward view of public infrastructure activity across Australia and New Zealand, providing certainty of the forward work programme to investors, constructors, governments and other agencies. ANZIP informs industry of where and what infrastructure opportunities are available, and when they come to market by tracking greenfield and brownfield transactions from when they are proposed, until they reach contractual and financial close.

## STATUS DEFINITIONS

### Prospective pipeline

Greenfield (construction) or brownfield (government asset divestment) projects needed or likely to occur within the next five years, but is not formally proposed by a state, territory or major local government.

### Credibly Proposed

The project or divestment is supported by a state, territory or major local government, is subject to studies or other processes (such as pre-feasibility or scoping studies or business case development), and is likely to proceed to formal announcement

### Announced

The project has a firm commitment and timeline from a state, territory or major local government, but has not yet entered the market.

### Under procurement

The project or transaction is under procurement (such as a call for Expressions of Interest, requests for tender, or another offer to the market).

### Preferred bidder announced

A preferred bidder has been selected and is in exclusive negotiations.

### Recently closed

Projects that have progressed to contractual close remain on ANZIP for 12 months.

## SHOALHAVEN HOSPITAL REDEVELOPMENT

**PROJECT PIPELINE STATUS**

**STATUS:** Credibly proposed

**VALUE:** \$434M AUD

**SECTOR:** Social infrastructure

**JURISDICTION:** NSW

**PROCUREMENT APPROACH:** Traditional procurement

**TYPE:** Greenfield

In November 2018, the NSW Government announced \$434 million funding to redevelop Shoalhaven District Memorial Hospital.

The 2018-19 Budget allocated \$15 million to plan several health projects, including Shoalhaven Hospital. Masterplanning for the project has already been completed.

The redevelopment will likely include:

- expanded elective surgery facilities
- more surgical, acute and aged care beds
- expanded maternity services
- more operating theatres
- increased emergency department capacity, and
- expansion of outpatient and ambulatory care zones.

The NSW Government's 2019-20 Budget indicated that the redevelopment of Shoalhaven Hospital will commence in the three years after FY2019-20. No funding was provided for the project in FY2019-20.

**Last reviewed:** 01/07/2019
